DEWAN'S OFFICE
3 JULY 1935
No. 52

Dear Mr. Anantaramah,

I send herewith a file containing the diaries of Mr. da Costa during the period he was on special duty in connection with the Birthday at Government House. I should be much obliged if you would submit them to the Dewan for his perusal.

While illustrating the manner in which he spent his time, these diaries will also give some indication of the number of schemes of a major kind, from the point of view of Government House, that have been hanging fire, in some cases for years, for want of a suitable officer to see them through to a conclusion. Others that have been started have lapsed for want of an officer who will keep them going.

I understand that it is in contemplation to let me have the assistance of Mr. da Costa's services again at Dasara, and shall be much obliged, if it can be arranged without detriment to his other training, for him to be put on special duty on the same terms from 15th September 1935 to 15th October 1935.

Yours sincerely,

Re: Last para

5) Mr Da Costa was deputed for work under Sri C. Todhunter from about 25.5.35 to end of June 35. The Diary now sent relates to the period from 18.6.35 to 28.6.35 i.e. represents the work done by the officer in settling up some outstanding matters in the Govt.-House after the departure of the guests.

6) The Private Secy to H.H. says that it is contemplated to lend the Officer's ~~off~~ services again at Dasara & wants him for a month from 15.9.35 if this can be done without detriment to his other training. Mr. Da Costa

NOTE—Contn. Sheet.

WD 70—GBPM—60,000—13-8-31

was re-posted to chickmagalur to complete his treasury training — which had been disturbed in the middle for 1 m. 10 days — and then take up Taluk Office training. The latter will take up four months and by 15.9.35, he will have finished two months of it. The deputation to Govt. House will therefore involve a break of one month in the middle of his Taluk Office training. [Further, Mr. Da Costa has also been placed now in temporary charge of Tarikere Sub Div. for about a month & that ~~also~~ may involve some slackening of his Taluk Office training]

7) [It is submitted in the circumstances that his posting to Govt. House during Dasara may involve ~~curtailment~~ some reduction of the course of his normal training]

8) Draft returning the Diaries is submd as directed

My reason for this suggestion is that the building is empty at present and in ~~the~~ weather such as we are now having it is not good either to Mr. da Costa or the tent for him to use one. At the same time there are meals being served in Staff Quarters and none at Government House.

In G.O.No.498-501/C.B.42-35-2, dated the 6th September 1935, Government were pleased to sanction the deputation of Mr. E da Costa, Probationary Assistant Commissioner, to special duty in connection with the Dasara festivities for a period of one month from the 15th September 1935.

One of the terms of the deputation was that Mr. da Costa should be given free board at Staff Quarters or Government House as the case might be.

In order to take up his duties from the morning of the 15th September, Mr. da Costa arrived on the afternoon of the 14th and was given tea and dinner for that day.

The Comptroller has objected to payment being made by Government House for these meals on the ground that his deputatio commenced only from the 15th.
